Palette and placements

Forest #173E32 / Navy #17263F / Cornflower #82A8D3 / Warm white #F4F0E7.

Front wordmark 65-80 mm wide; back wordmark 230-260 mm. Character print 100-130 mm.

Keep graphics 25 mm from seams. Campaign placements are a separate styling variant.

Decoration and construction

Small marks: one-color embroidery, 45-60 mm wide; digitize and test minimum stitch detail.

Full-color pixel characters: transfer or printed patch, not small embroidery. Preserve square pixels.

Proposed fabrics: stretch performance jersey for court tops; woven shorts/skort; terry club layer.

Material weights, fit blocks, opacity, wash durability and abrasion need supplier sampling.

Artwork and approvals

Generated mockups are visual interpretations. Use the supplied SVGs for exact character artwork.

Vector wordmark is a separate upright concept master; generated lettering varies between images.

Independent concept; no Nouns DAO or third-party Rally endorsement. Court location is fictional.

Nouns art is CC0. Sources: nouns.wtf/brand and nouns.wtf/noun/0, /1, /2.
